

Judge James L. Robart

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

MR

THE COURT has considered the defendant's unopposed motion for a continuance of the trial date and the pretrial motions due date. The Court finds that the ends of justice will be served by ordering a continuance in this case, that a continuance is necessary to ensure adequate time for effective case preparation, and that these factors outweigh the best interests of the public and the defendant in a speedy trial.

IT IS THEREFORE ORDERED that Defendant's unopposed motion to continue trial date and pretrial motions due date is GRANTED. The trial date in this matter is continued to February 27, 2017. All pretrial motions, including motions in limine, shall be filed no later than January 13, 2017.
